The Martins while traveling had great fun this year -
 A few of their ventures are shown to you here.
 Cornwall - the country of "Sir" Richard's kin,
 Scotland - where Wenona's forbears began,
 Ireland - where she kissed the famed Blarney Stone,
 Wales - where the Martin family were known!
 Great Britain thrilled them, three months did they roam -
 Now it's time for warm greetings from these very own home.

Decisions!
Decisions!
Decisions!

The Blurry Henningsons

We certainly know that travel is great!
So, where to go "tripping" in the year '68?
Austria? Switzerland? Italy? Peru?
India? China? Czechoslovakia, too?
Africa? Maderia? Greece? Holland or France?
All look intriguing as at maps we both glance.
Yet really now - why should we worry and stew
About glamorous countries because they are new?
After all there's a place which is ever the same!
It's the 50th State, Hawaii by name!
Our decision is made and the old year ends.
Warm Holiday Greetings to all our dear friends.

Wenona and Dick

Please come to our Christmas Country Show
 At 6:00 P.M. to 10:00 P.M. every day.
 On Saturday the town will be home.
 Around 6:00 P.M. in the afternoon.
 Our ticket will be at the gate at 10:00
 Every ten minutes by the clock.
 Wear your best clothes and low-heeled shoes.
 And have your ears tuned for bovine music.
 We do hope you can come because
 It is farewell for the Captain Shaws.
 We're hoping the weather'll be mighty fine,
 But we'll expect you, rain or shine.

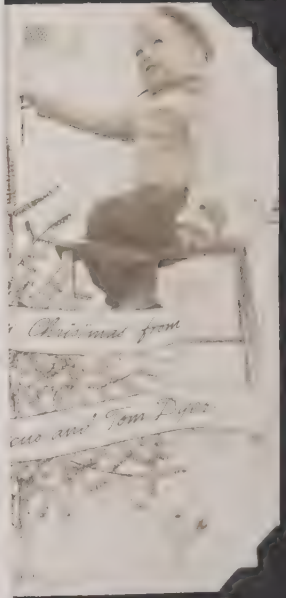

ALICE K. HARRIS

The Dancer*

This year there's no time —
 For sequins, glitter, and rhyme.
 All over the house-boxes are stacked.
 And the trailer is all packed!
 Once more the Supple's are on their way —
 But not before, we wish you a glorious Christmas Day.

*Christmas from
our and Tom Dore*

From under our noble fir,
Of Christmas number two,
We send Merriest Christmas
wishes
And a Happy New Year too.
